MEMORANDUM FOR ASSISTANT DIRECTOR FOR CURRENT INTELLIGENCE

SUBJECT: O/CI-O/NE Liaison

I am reminded by the demise of the NID that the past many months have been singularly free of crises between our two offices in connection with our various publications. I am sure that this is as gratifying to you as to me. I believe the patience and efforts of [REDACTED] of your office have largely been responsible for this very satisfactory development. Please pass him our thanks and our warmest personal regards.
